

## Tentative agenda

### IRCC International Workshop on the Trend of Building Energy Regulations

**Time/Date:** 2:00 P.M. to 5:45 P.M., 10 November 2016

**Venue:** Hall 2B, TKP Tamachi Conference Center, 5-29-14, Shiba, Minato-ku, Tokyo

**Language:** Japanese/English (simultaneous interpretation provided)

Time	Presentation
2:00-2:05	<b>Opening address by Akio Mizutani (MLIT, Japan)</b>
2:05-2:10	<b>Introduction of IRCC and the Workshop by Bill Dodds (Chairman of IRCC, Scottish Government Building Standards, Scotland)</b>
2:10-2:35	<u>Presentation 1</u> <b>“Present situation with regard to the EU-Directive on the Energy Efficiency of Buildings” by Rainer Mikulits (Austrian Institute of Construction Engineering)</b> (20 min. presentation + 5 min. discussion)
2:35-3:00	<u>Presentation 2</u> <b>“Energy Efficiency Standards and calculation methods in Spain” by José Antonio Tenorio Ríos (IETec CSIC, Spain)</b> (20 min. presentation + 5 min. discussion)
3:00-3:25	<u>Presentation 3</u> <b>“Energy Efficiency and the National Construction Code, 2019 and Beyond” by Neil Savery (Australian Building Codes Board, Australia)</b> (20 min. presentation + 5 min. discussion)
3:25-3:50	<u>Presentation 4</u> <b>“Monitoring results of nearly and net zero energy dwellings” by IJsbrand van Straalen (TNO, Netherlands)</b> (20 min. presentation + 5 min. discussion)
3:50-4:00	Break (10 min.)
4:00-4:25	<u>Presentation 5</u> <b>“Key Points for Energy Calculation in Japan, Aiming at Realistic Evaluation of Building Energy Performance” by Takao Sawachi (NILIM, Japan)</b> (20 min. presentation + 5 min. discussion)

Time	Presentation
4:25-4:50	<p><u>Presentation 6</u>  “How to ensure enforcement of energy efficiency regulations in Singapore” by Tan Yu Jun (Building and Construction Authority, Singapore)  (20 min. presentation + 5 min. discussion)</p>
4.50-5.15	<p><u>Presentation 7</u>  “How to ensure enforcement of energy efficiency regulations in Japan” by Takeo Fukui (MLIT, Japan)  (20 min. presentation + 5 min. discussion)</p>
5:15-5:40	<p><u>Presentation 8</u>  “Regulations to improve the energy efficiency of existing non-domestic buildings” by Bill Dodds (Chairman of IRCC, Scottish Government Building Standards, Scotland)  (20 min. presentation + 5 min. discussion)</p>
5:40-5:45	<p><b>Summary of workshop by Takao Sawachi (NILIM, Japan)</b></p>
